PC388

LTE NETWORK PORTABLE RADIO

The PC388 fully meets the various dispatching needs of professional users in different work settings and is also compatible with multiple public network intercom platforms to meet customers' personalized adaptation requirements.

SMART COMMUNICATIONS

—— COLLABORATE EFFICIENTLY,
CONQUER CHALLENGES WITH EASE.

PRODUCT FEATURES

Cellular Network Support (4G/LTE/3G/2G)

Leverages a powerful cellular network to ensure you can receive calls anytime and anywhere, making communication seamless and efficient.

Android OS – Broad Platform Compatibility

Runs on Android OS, offering extensive compatibility with various applications and platforms, WalkieFleet, ZELLO, RealPTT, POCSTAR...

2.4-inch High-sensitivity Touch Screen

Delivers smooth, responsive operation and clear visibility, even when wearing gloves or working in challenging conditions.

HD Front & Rear Cameras

Capture real-time photos and videos to enhance communication, situational awareness, and incident documentation. Ideal for security, logistics, and field operations where instant visual information is essential.

Wi-Fi Connectivity

Allows users to connect to Wi-Fi networks when available, reducing data costs and offering flexible communication options.

Bluetooth Voice & Data Service

Supports Bluetooth 4.2 for frequency programming, voice calls, and data transfer, enhancing versatility and user convenience.

Built-in Voice Recorder

Securely records important conversations for accurate communication, operational efficiency, and compliance with safety and record-keeping requirements.

NFC (Optional)

NFC Patrol: Ideal for tasks like staff check-ins, attendance, and patrolling in various scenarios.

GPS/Beidou/GLONASS Positioning (Optional)

Provides accurate location tracking for improved coordination. When integrated with command and dispatch software, it enables real-time mapping of personnel and supports voice communication.

APPLICATION SCENARIOS

Law Enforcement

Property Management

Transportation

Mall

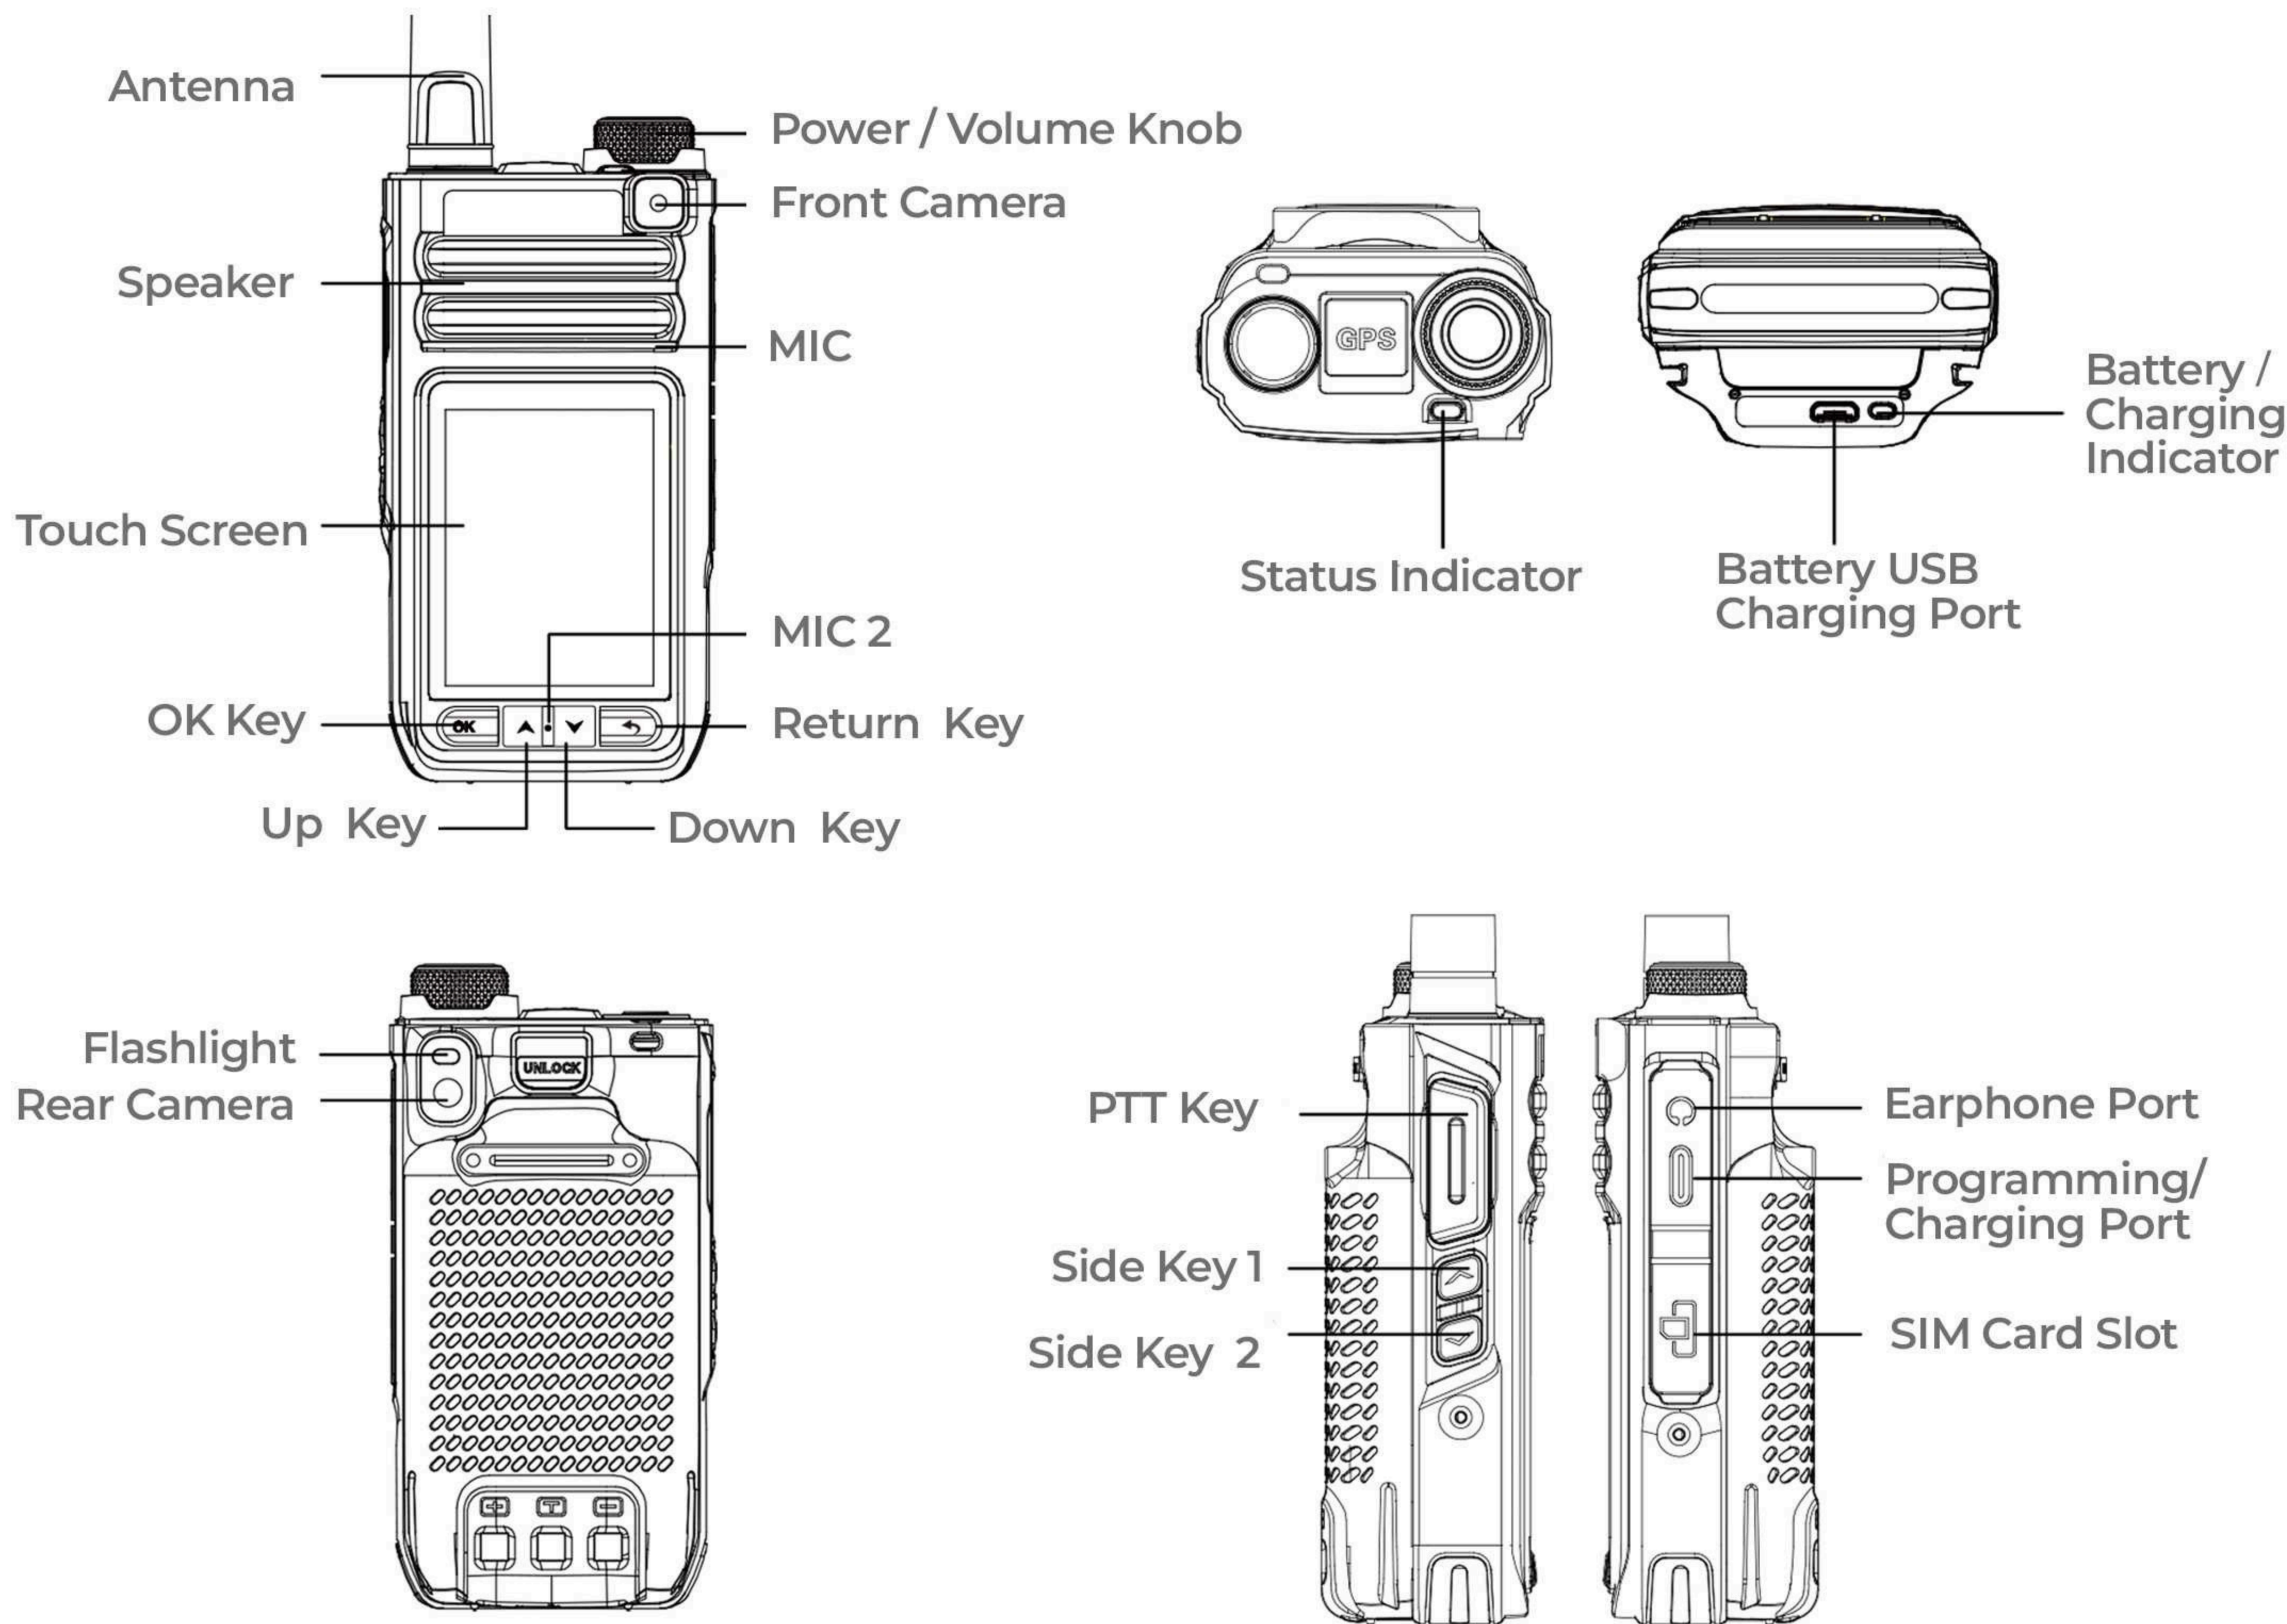

Industrial Park

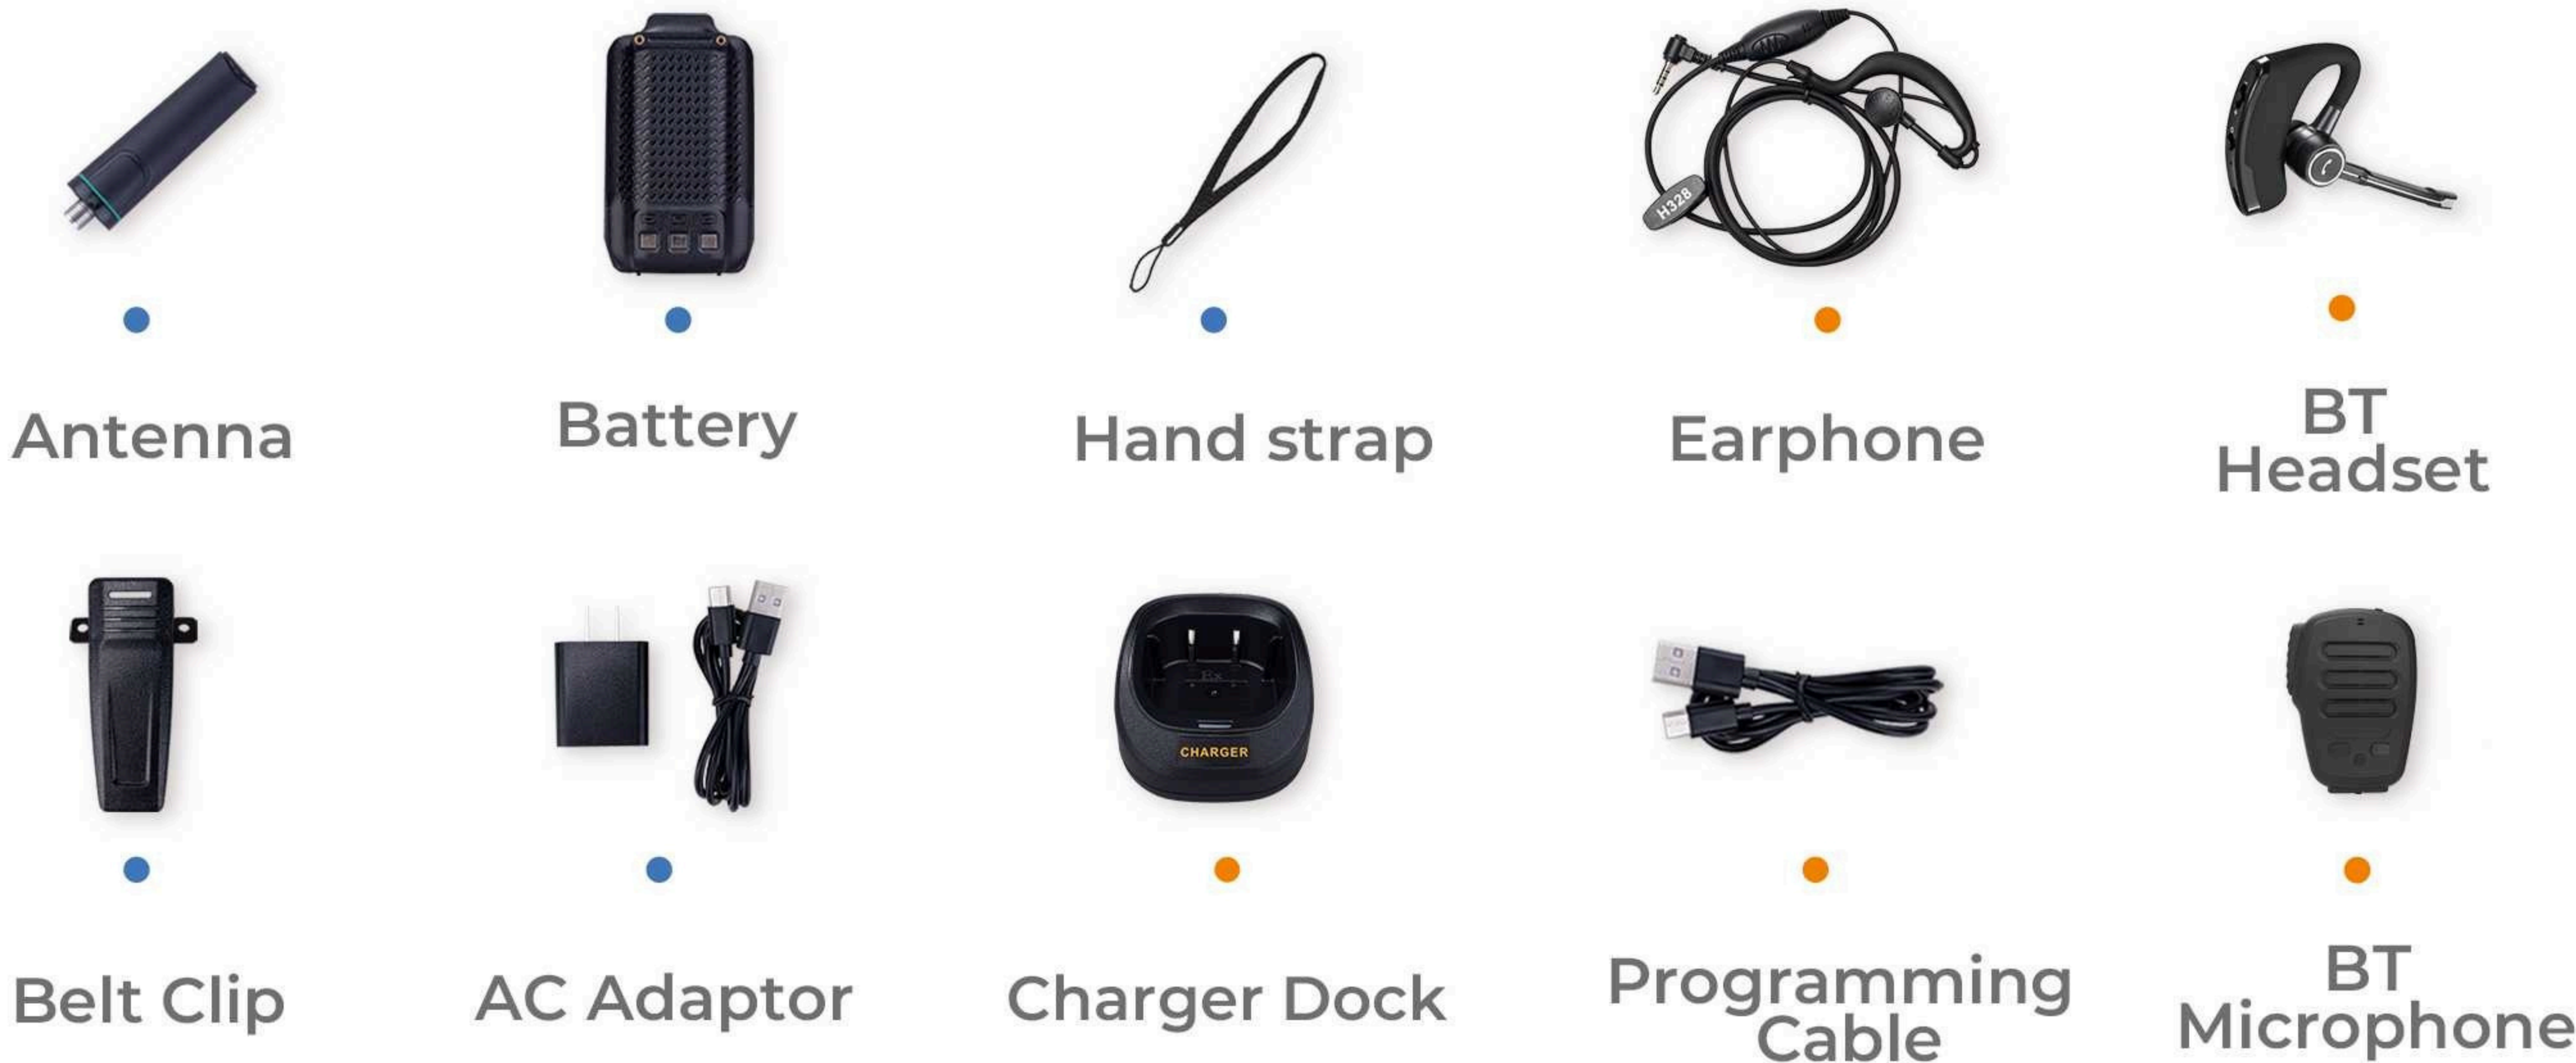

Hospitality
